A Message From The Administrator

I can't believe this is already our second news letter! Time sure does fly when your having fun. We've had an action packed few weeks with great activities and entertainment.

It brings me great pleasure to watch how the caring staff members interact with our residents, and the smiles on their faces.

I'm looking forward to the next few months as Spring approaches and we see more new beginnings and great things happening.

The first Friday in the month of February marks **National Wear Red Day**, a holiday to raise awareness for cardiovascular disease in women. It's also the start of American Heart Health Month. The residents and staff of Morristown Post Acute celebrated by wearing **RED** together.

The People In Our Neighborhood

Joe has been a resident at MPA for four years. He grew up in the Black Forest of Germany. His mother sent him to the states when he was six years old to live with his Uncle in NJ. Joe always loved to paint and considers himself an artist. His favorite movie is “Joan of Arch” with Ingrid Bergman. His favorite songs are all of Frank Sinatra. He loves to eat Spaghetti & Meatballs and his favorite saying is “I Love You”, to the right person of course.

Andy Forbes works in MPA Maintenance and has been here for nearly 4 years. He came to the US from Montego Bay, Jamaica. His favorite movie is “First Blood” with Sylvester Stallone. His favorite song is “Lying alone with my head on the phone” by Air Supply. (Let’s get him to sing it in our Talent Show) His hobby’s are playing the drums and singing. He loves Jerk Chicken and coffee, coffee, coffee....

Our resident Mary Ellen, grew up in Paterson NJ. Her favorite memory is roller-skating in the streets and taking the bus with her brothers to go to the BIG pool. Her favorite movie is the “God Father”. She loves to listen to Rock & Roll and Country Western. Her favorite food is Corn on the Cob and she can’t wait for our Summer bar-b-q’s. (Hear that Jeff?) Her favorite hobby today is watching Netflix and her favorite saying is “Ya know!”

Weetsnie Eloy with her pretty smile, is the first person you see when you walk in our front door. Weetsnie is our day-time receptionist. She came to the US when she was 19 years old from Haiti. She loved to go to the beach and swim in the clear water, forever changing shades of blue. Her favorite movie is “Achilles Heal” with Brad Pitt. (She loves Brad!) Her favorite song is “Steady Love”, by India Arie and she loves to eat white rice with black bean puree and stewed chicken. Her favorite hobby.....READING!
