

Bridging Your Transition from Hospital To Home

Located only a few feet away from Morristown Medical Center, our expansive 5-story center offers unmatched advantages for individuals recovering from surgery or illness.

Upon discharge from the hospital, you are guaranteed **ease of transfer to our center** & **access to some of the area's leading physicians!**

Morristown Hospital is nationally recognized in cardiac and orthopedic care, two programs which we are proud to be affiliated with. Those with heart or orthopedic issues can rest assured that they are getting the best health care in the country!

A Proud Member of
ALLAIRE HEALTH SERVICES

Revolutionizing Care Delivery™

Whether you're facing cardiac, orthopedic or pulmonary issues, we offer cutting edge post acute care and rehabilitation services.

Our highly skilled therapists are here to help you reach your goals as quickly and safely as possible, with the ultimate objective of getting you back home. An individualized therapy regimen is initiated after an evaluation and delivered according to a physician approved treatment plan, with therapies offered up to 7 days a week.

- **Dedicated Subacute Rehab Unit with Mostly Private Suites**
- **Daily Physical, Occupational & Speech Therapy**
- **2 Rehab Gyms with Cutting-Edge Equipment**
- **Model ADL Suite to practice Activities of Daily Living**
- **Individualized Treatment Plans**
- **Comprehensive Discharge Planning & Post-Discharge Follow-up**

Our center features a full-time nurse practitioner, a constant physician presence, and regular rounds by leading specialists.

SPECIALIZED RESPIRATORY CARE

We offer an extensive array of in-house services geared towards the treatment of patients with primary or secondary pulmonary diagnoses and are committed to improving their quality of life.

With a full-time Respiratory Care Practitioner on staff, we are well equipped to care for individuals with trachs & chest tubes.

Our all-encompassing program includes:

- Tracheostomy Care & Management
- On-site Daily Respiratory Care
- CPAP & BiPAP
- High Flow Nasal Capabilities
- High Flow Humidification
- IV Medication Administration
- In-House Sleep Studies
- Physical, Occupational & Speech Therapy
- Physician Services
- Resident / Family Education & Support
- Comprehensive Discharge Planning including Follow-Up with Our Respiratory Care Practitioner

LEADING WOUND CARE

Under the direction of a vascular surgeon, our experienced nursing staff provides specialized wound treatment that includes e-stim, diathermy, wound VAC therapy and dynamic pressure relief mattresses.

From admission to discharge, we take every step to ease our patients' recovery process and ensure their comfort.

Whether it's our many private rooms, fine dining experience, dedicated concierge or cozy, resident-run snack shop – we are proud to offer an array of amenities in our warm and tranquil setting.

- Well-Appointed Private & Semi-Private Suites
- Complimentary Phone, Cable & WiFi
- Spacious Lounges & Family Areas
- Restaurant-Style Dining / Always Available Menu
- Dedicated Patient Concierge
- Beautiful Enclosed Patio
- Beauty & Barber Salon
- Onsite Laundry
- Religious Services
- Full Calendar of Activities
- Local Outings
- Resident Shop
- Designated Smoking Areas

QUALITY EXPERIENCE

Our on-staff concierge is available 24/7 to serve as an open line of communication between patients, families and members of our team.
